Yazon Gibellini was the founder and president of the Gibellini and Son bank. He arrived in [Novigrad](#) with only a single crown to his name, but managed to build a financial empire in the city. He still had that crown after his bank became successful. He lived together with his son in a tenement house at the Western Bazaar, where they also had their bank. Yazon was blessed with an extraordinarily predatory ruthlessness.^[1]

Yazon Gibellini
